These things won't take shape in 24 hours or more, but in my video I'll show you how to make them take shape in minutes. Soak them in water, even in. These won't take shape in 24 hours or more, but in my video I'll show you how to get them to take shape in a few minutes. Soak them in water, even in a solution. This makes them softer. Then lay them on a flat surface and start applying varnish. After you're done, let them dry a bit and finally hang them up. It only takes a few minutes to get them in shape. After that, I will show you how to make them more comfortable and how to attach them properly.
