You don't have to have all the answers, and don't assume that your friend wants advice. their operational lifetimes, but given the numbers of new satellites launched each year, .Crown 'crooked' over evidence of fraud Crown 'crooked' over evidence of fraud Officials from the Attorney-General's Department (AGD) and the New South Wales Government spent three years gathering evidence that had allegedly been lost in an IT disaster at the Office of the Director of Public Prosecutions (ODP), the NSW Government has admitted. The evidence of more than 50,000 alleged offences was lost after it was destroyed by an IT crash in August 2009. The AGD said yesterday that the evidence could have been relevant to about 70 cold cases, and it could prove that police were also involved in more than 1,000 cases of property fraud. "The evidence lost is not necessarily a criminal offence, but 79a2804d6b
